4) Old Business

- a) Report from Bob Free and Chris Cornish on meeting with City of Tulsa Water and Right of way Dept. Meeting was on Habitat restoration back to native grasses. City of Tulsa was going to try 3 test plots to see how it would work for them. They are very interested in bettering the native habitat! Note: They will update us with their progress.
- b) Reminded everyone of next meeting at GRDA's Eco-Education Building May 11, 2010. We will be presenting the POWER Program and other habitat renewal ideas. So far The Cherokees Nation, Empire Elect. District, Dept. of Conservation of Missouri, OG&E, Devon Energy, The 89's Quail Forever Chapter, all show interest in coming to meeting.
- c) Terry Free is to be a guest speaker on a 2hr radio show called Hook and Hunt Show played Saturday mornings state wide. Subject will be the plight of the Bob White Quail, and how Habitat Restoration can help. He will also plug our May 11th meeting on the POWER Program and the Youth Day May 8, 2010. Note show will air 2 weeks before May 8, 2010.
- d) Discussed and confirmed that we will be putting on a Veterans Hunt. Will set date at January 2011 meeting. Hopefully this will occur in March 2011.

5) New Business

- a) Tommy Woods requested that he would like to see a dirt back stop be built for the shooting stations in our youth day program also would like to have styrofoam or large hay bales for archery station also for BB Gun station. In addition, Tommy wanted to contact the Wild Turkey Federation to see if they would teach a Turkey Calling station at the youth day.

Paul Ayotte made a motion for us to buy the dirt and hay bales or styrofoam for the back stops at the youth day before May 8,2010 .Monroe Sullivan 2nd, voted Passed.

Note; Terry Free will get dirt and archery back stops purchased.

- b) Robert Fleemer, Okla.Wildlife Dept. Chief Warden, asked for a donation of a \$1,000.00

for a youth event at Lake Texoma area. Members discussed request and due to future events and the fact we donated to them already this year we will hold off on this donation. In addition, the event was not close to our core area, members declined request.

- c) Doug Hardesty from Tulsa Bird Dog Club would like to request help from any members of Quail Forever for their Youth Day Event June 11, 2010.
- d) Monroe Sullivan reported fliers are printed for our Youth Day Event May 8, 2010. Also he would be purchasing ammo, bb's, water and food supply's. Phil Synar has agreed to cook for us and we will buy the meat and supply's.
- e) Terry Free reported he has a new Porta-Poti man out of Grove that may cut our expenses on our youth day for the use of 2 potties.
- f) Would like to send a reminder to all female member and other members that can cook to bring desserts for our Youth Day Event May 8, 2010.
- g) Next Monthly Meeting will be held at Langley, OK at 6:00pm at the new Eco-System and Education building of GRDA. We will be presenting the POWER Program to all interested Parties. -----Please Try To Attend.
